

VEHICLE ACCESSORIES • TUBE STEPS / BULL BARS

A truck just doesn't feel complete without a set of nerf bars added on. Steelcraft 3" round nerf bars are a longtime industry standard here to help you out. They provide a nice accent that also protects your rocker panels. They are made from high quality 304 polished stainless steel and are custom fit to your exact vehicle. Each heavy duty side tube step comes with polyethylene step pads. When you receive your Steelcraft side tube steps you will find all the needed brackets and hardware have been included. Installation is a snap with no drilling required!

STEELCRAFT 3" STAINLESS STEEL NERF BARS

- 3" Round Tubing
- No Drill Installation
- Custom Mounting Brackets
- High Quality 304 Polished Stainless
- Custom Polyethylene Step Pads

**Available with carbon steel mounting brackets
or with stainless steel mounting brackets**

STEELCRAFT 3" BLACK POWDER COAT NERF BARS

- 3" Round Tubing
- No Drill Installation
- Custom Mounting Brackets
- Five Layer Black Powder Coat Finish
- Custom Polyethylene Step Pads

5 Layer Powder Coat Finish protects against scatches

STEELCRAFT 5" WIDESTEP OVAL NERF BARS

You made the investment in your ride, now you want to protect that investment with some finishing touches. Picking up a set of Steelcraft 5" Oval nerf bars means you're getting one of the best valued side step bars on the market today. Made from high quality 304 polished stainless steel or from black powder coated steel (depending upon your finish preference), these tube steps are 5 inches of stepping power for your truck or sport utility vehicle.

These Steelcraft 5" nerf bars have polyethylene step pads that will handle the use and abuse you put them through. They are protected from UV rays, which means they won't crack or fade in the sun, and are made to survive the elements while still providing a stable place to step on exiting your vehicle for years to come.

STEELCRAFT BULL BARS & GRILL GUARDS

Steelcraft Bull Bars are skillfully constructed with high quality 3" diameter tubing and are available in black eCoat or T304 polished stainless steel. The integrated skid plate provides additional style and protection for your truck or SUV. Installation is simple and requires no cutting or drilling on most vehicles.

STEELCRAFT BULL BAR FEATURES

- HEAVY DUTY ONE-PIECE CONSTRUCTION
- PRE-DRILLED HOLES FOR AUXILIARY LIGHTS
- REMOVABLE SKID PLATE
- EASY NO-DRILL INSTALLATION

VEHICLE ACCESSORIES • TRUCK BED PROTECTION

How RUGGED is Your 'Truck?!

Are you looking for affordable bed protection for your truck? Check out the Rugged Liner bed liner. This bed liner is available in under the rail and over the rail applications. The tailgate section is included and the bed liner includes a life time warranty

- Front rail protection
- Tough, patented front corners
- Uniform wall thickness
- Non-pooling skid resistant floors
- Tailgate protection
- 2 x 4 inserts to permit two-tiered stacking
- Made of durable, high density polyethylene

RUGGED LINER BED LINERS ARE THICKER!

Rugged Liner truck bedliners have been quality tested against the competition to prove that our liners are the thickest in the industry with a superior skid-resistant floor.

CALL R H SCALES CO., WE'VE GOT A RUGGED LINER FOR YOUR TRUCK!

PROTECT YOUR TRUCK AND CARGO WITH RUGGED LINER BED MATS

- Made in USA – not an import
- Durable Nyracord® rubber construction
- Textured surface provides a true non skid mat – reduces load shifting
- Superior abrasion resistance and tear strength
- Virtually indestructible – Limited Lifetime Warranty
- Custom molded fit for all truck models
- Extra thick – a full 3/8" provides up to 50% more protection than other bed mats
- Knobby underside promotes aeration and drainage to keep truck bed dry, helps to prevent rust and mildew

RUGGED LINER WHEEL WELL LINERS

Choose Rugged Liner Rear Wheel Well Inner Liners if you are looking to improve and finish the overall look and protect the inner workings of your vehicle from harmful elements. With a limited lifetime warranty you can be at ease knowing your investment is protected.

- Enhances your truck's appearance by providing a more finished look
- Protects against damage from rocks, dirt, salt, road debris and weather elements
- Quick and easy installation
- Comes with a Limited Lifetime Warranty on material and workmanship (link to warranty page)
- Made in the USA

BEDRUG NEXT GENERATION BEDLINERS

This is the most innovative and unique truck bed liner there is. You get the look and comfort of carpet, in an ultra-tough 100% polypropylene (essentially plastic) product. That means not only will it protect your truck bed from impact dings and damage, it will stand up to the most harsh conditions you can throw at it: from gravel to battery acid, while still protecting your precious cargo and your knees!

Molded to fit your specific make and model, this liner looks great and fits like a glove. Its non-skid surface keeps your cargo in place, and a built-in hinge between the truck bed and tailgate prevents debris from collecting. The BedRug material is fade and UV resistant. Made of foam similar to that used in life jackets, it doesn't absorb water and will not mold or mildew. Water will simply run off the surface, through the zippered perimeter, out the factory drain holes in the truck bed and will dry in as little as 20 minutes. Just clean it with a hose, power washer or vacuum and your BedRug is good as new.

- Rugged Construction Handles Heavy Cargo
- Bleach, Oil Even Battery Acid Washes Off
- Comfortable Knee Friendly" Cushioned Floor
- Anti-Skid Surface Prevents Cargo From Shifting
- Engineered for Exterior Use
- Stain & UV Resistant
- Easily Cleaned With Just Water

BEDRUG BEDTRED PRO SERIES LINERS

If you want a bed liner that won't damage your truck, isn't permanent and won't lower your resale value, BedTred Pro Series is for you. It provides a rugged work surface that is tough enough to withstand dents and dings while protecting your most fragile cargo from sliding around your truck bed. The BedTred system is a 5-piece zipped liner that installs with hook and loop fasteners, without damaging the truck bed. While traditional spray-in liners can quickly fade and chalk, the BedTred material is fade and UV resistant. The 1/4" thick foam is similar to that used in life jackets and will not absorb water, resisting mold and mildew. Water will simply run off the surface, through the zippered perimeter, out the factory drain holes in the truck bed and will dry in as little as 20 minutes.

- TPO Composite Surface
- No Sanding, No Prepping and No Damage Installation
- Hassle Free Quick & Easy Hook and Loop Install
- Custom Contoured Fitment for a Snug Tight Finish
- Thick Foam Layer Provides Superior Dent Protection
- Cushioned Knee-Friendly Surface
- Non-Woven Fiber Backing Will Not Scratch Truck Bed

BEDRUG BED MATS

This BedRug Mat is designed specifically for trucks that do not have any existing liner, featuring a 3/4" thick custom molded foam backing to provide a smooth work surface, using only hook and loop fasteners to install without needing to drill holes into your truck bed. The BedRug Mat material is fade and UV resistant. Made of foam similar to that used in life jackets, it doesn't absorb water and will not mold or mildew. Water will simply run off the surface, out the factory drain holes in the truck bed and will dry in as little as 20 minutes. Just clean it with a hose, power washer or vacuum and your BedRug Mat is good as new.

- 100% Polypropylene – Ultra Tough Work Surface
- Looks and Feels Like Carpet
- Slip and Skid Resistant Fiber
- Custom Fit For Each Truck – Won't Scratch Truck Bed
- Superior Comfort – Cushioned and Knee Friendly
- Bleach, Battery Acid, Oil and Gas Wash Right Off
- Designed For Exterior Use – Will Not Absorb Water
- Installs in Minutes with Hook and Loop Fasteners
- Tailgate Mat sold separately

WeatherTech®

SIDE WINDOW IN-CHANNEL DEFLECTORS

WeatherTech® Side Window Deflectors offer fresh air enjoyment with an original equipment look. They are crafted from the finest 3mm cast acrylic material available.

Installation is quick and easy, with no exterior tape needed. WeatherTech® Side Window Deflectors do not stick to the outside of your vehicle. They install inside the window channel. These low profile window deflectors help to reduce wind noise and allow interior heat to escape, even when it is raining.

WeatherTech®

SUNROOF WIND DEFLECTORS

The WeatherTech® Sunroof Wind Deflector gives you an excellent reduction of in-cabin wind noise and air turbulence! It is crafted from the finest 4mm thick, tinted cast acrylic. Our sunroof deflector fits the sunroof opening precisely, and is held securely in place with the MagiClip™ vehicle specific fastening system. To protect your vehicle's finish, the unique AirCushion™ gasket seals the edge of the deflector. WeatherTech® Sunroof Wind Deflector's sleek and sophisticated look is a great addition to any vehicle. Let the fresh air in®

WeatherTech®

MUDFLAP NO-DRILL DIGITALFIT®

Featuring the Patent Pending QuickTurn™ hardened Stainless Steel fastening system. The WeatherTech® No-Drill MudFlap set literally "mounts-in- minutes™" in most applications without the need for wheel/tire removal, and most importantly - without the need for drilling into the vehicles fragile painted metal surface! Contoured specifically for each application and molded from a proprietary thermo-plastic resin, the WeatherTech® No-Drill MudFlap will offer undeniable vehicle protection. Simply, a Perfect DigitalFit®

WeatherTech®

PET BARRIER

Keep those paws and claws off the upholstery. The WeatherTech® Pet Barrier is adjustable, expandable and keeps pets safely in the rear of your vehicle

The heavy-duty 5/8" diameter telescopic tubing installs easily without tools or drilling. The barrier adjusts vertically and horizontally to suit any vehicle and any pet. "No-Mar" rubber coated components protect your interior and ensure a rattle-free installation. An optional extension is available for minivans, or vehicles with folding seats.

Tubing Size: 1/2", 5/8" & 3/4" Steel Spacing: 3-3/8" between bars
Maximum Height (without extension): 42" Maximum Height (with extension): 51"
Maximum Width: 66" Minimum Height: 30" Minimum Width: 39"

#60010 Tubular Pet Barrier

#60012 Tubular Pet Barrier Extension

WeatherTech®

FLOORLINER™ DIGITALFIT®

In the quest for the most advanced concept in floor protection, the talented designers and engineers at MacNeil Automotive have worked tirelessly to develop the most advanced DigitalFit® floor protection available today!

Digital laser measurements of interior surfaces offer a consistently perfect fit. A patented tri-extruded composition allows for a rigid core for strength while offering surface friction to the carpet, as well as tactile feel to the surface. The FloorLiner™ advanced surface design has channels that carry fluid and debris, away from shoes and clothing, into a lower reservoir. The lower reservoir uses additional channeling to minimize fluid movement while driving. Once fluids become trapped in the reservoir, they are easily removed from the WeatherTech® FloorLiner™ over the door sill...No muss – No Fuss!

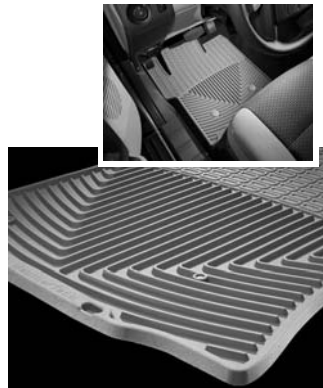

WeatherTech®

CUSTOM ALL WEATHER FLOOR MATS

Deep channels direct fluids into a lower reservoir where they stay until removed. Dirt brought into the vehicle is also held in this reservoir, below your shoes & pants. Our All-Weather Floor Mats also have anti-skid ridges to prevent shifting in your vehicle and come with a protective, non-stick finish to make cleanup quick and easy. WeatherTech® All-Weather Floor Mats meet FMVSS302 and are manufactured to ISO 9001 standards, your assurance of quality. Choose from Black, Tan or Grey to complement virtually any interior color.

Rear mats are designed to be trimmed so that they may be customized to fit almost any vehicle. Please take your old floor mats out before installing your new WeatherTech® floor mats. All-Weather Floor Mats were intended to give the best possible protection for your vehicle floor

WeatherTech®

CUSTOM CARGO LINERS

Made from a proprietary custom blended TPE that is not only wear resistant, but also remains flexible under temperature extremes. The WeatherTech® Cargo Liner features a textured finish which helps to keep cargo from shifting, and is perfect for hauling just about anything from gardening supplies to construction materials. Protect your investment with a WeatherTech® Cargo Liner.

Quality built in America, Choose from Black, Tan or Grey to complement virtually any interior color. Available for car trunks, minivans, crossovers and SUV's

WeatherTech®

AVM® TRIM-TO-FIT™ FLOOR MATS AND UNIVERSAL CARGO MATS

The WeatherTech® AVM® (All-Vehicle Mat) is the evolution of the "Universal" All-Weather Floor Mat. As such, it is the most technologically advanced universal trim-to-fit mat made today as it has a unique shape for the driver and passenger floor. AVM® All-Vehicle Mats have tall outer ridges and channels to help guide fluids to the lower half of the mat where a reservoir traps fluids and debris - away from your feet and clothes. The AVM® is made from an advanced thermoplastic elastomer (TPE) that is odorless, non-toxic and stays flexible in the coldest of temperatures. Enhancing safety, the AVM® feature the patented MatGrip® retention device as well as molded-in nibs that add security to the mat-to-floor interface. Available in black, tan or grey
